N O T I C E

"Under the Florida law, no legal action can be brought by the ultimate purchaser of the seeds sold against the seller for damages claimed to have resulted from any defect or failure of said seeds to be as represented by the information shown on the label or tag, unless notice of such defect or variation from such information is given to the seller within a reasonable time, and not later than 15 days from the time such defect or variation becomes apparent, and is observed by the ultimate purchaser."
